**Administrative Appeal Decision**

By request received February 6, 2007, Appellant has requested an Administrative Appeal of a state hearing decision rendered January 19, 2007. Applicable hearings policy, as found in Ohio Administrative Code Section 5101:6-8-01 and notice set forth on the hearing decision, require that the written request for administrative appeal be received by the Ohio Department of Job and Family Services, Office of Legal Services within 15 days from the date the hearing decision was issued. The rule allows for an extension of time to the next business day if the fifteenth day falls on a weekend or a holiday. The Appellant's time to request an administrative appeal expired on February 5, 2007. Because Appellant's request was received in excess of 15 calendar days after the hearing decision was issued, the administrative appeal cannot be considered and is hereby DISMISSED.
